

GLOBAL INTERNSHIP PROGRAM 2020 ORIENTATION AND TRAINING SCHEDULES

Humanitarian Affairs – Global Internship Program is where youths take on life lessons to prepare themselves in effecting positive social change. Through this placement, youths are challenge to work on 3 Cs : **Compassion, Competent and Character Building**.

Our internship placement developed and categorized based on our understanding of the challenges that our emerging leader faces in the future. We have identified the following skillsets as crucial for individuals in each stage and developed our programs to complement them:

Leading Self – Time Management, Communication Skills, Presentation Skills, Learning Agility

Leading Others – Engaging Stakeholders, Seeking Support, Managing Outcome

Leading Event – Event Management, Strategic Thinking, Aspiration Setting

We are what we repeatedly do. Excellence, then, is not an act, but a habit – Aristotle

Below are the orientation and training program for your entire placement period from January to June 2020:
